Congratulations on selecting Suncoast Driving School, which means that you receive the best and most professional support. We place immense value in the trust the community gives us to deliver safe, professional training, and take this responsibility seriously.

The learner agrees that the licence they have presented to the instructor is theirs and also declare that they are not aware of any reason that the licence would be suspended or in any other way impaired.

- √ The learner agrees that should they be made aware of any issues surrounding the validity of their licence, they will notify the instructor immediately.
- √ The learner agrees to attend all driving lessons free from the effects of alcohol or drugs
- √ The learner agrees to give at least 24 hours' notice to the instructor if they cannot attend the lesson as a result of a planned event that will involve the consumption of alcohol or drugs
- √ If the learner has any doubt as to their sobriety, this must be reported before the commencement of the lesson to the instructor
- √ The learner agrees that in the event of uncertainty, the instructor is at liberty to either; subject the student to a non-binding breath analysis OR terminate the lesson immediately
- √ If any of the above conditions are not met and result in the cancellation of a lesson, the student will be obliged to pay the driving instructor in accordance with their cancellation policies
- √ In the event of any Infringement, the Student will receive the Infringement notice. For example, "Running Red Light" or Failure to stop properly at Stop Line or Sign.
- √ **This Declaration applies to the first lesson AND any subsequent lessons done with Suncoast Driving School.**

All learners are reminded that compliance with all Road Law is their responsibility. If the learner has any doubt as to their compliance, this needs to be immediately disclosed to the instructor and a decision made as to whether training can continue.
